about

I am a communications & graphic design graduate from Rensselaer Polytechnic Institute, seeking full time employment. I value focus, dedication, thoroughness, and creativity and I try to instill all of these values into my work. I want to continually push the limits of what I can do and be the best graphic designer I can be.

education

Rensselaer Polytechnic Institute

B.S. Communication & Graphic Design

Graduated May 2007

skills

Adobe Suite, Flash, Dreamweaver,

Windows and Apple systems

work

Internship @ Smith & Jones

Working at a small graphic design firm in Troy, NY doing assorted production duties and design tasks from June 2006 to January 2007. Notable projects include several self-promotion pieces and working on the redesign of local ski resort Windham Mountain's identity and advertising package.

Designer @ Sonneman Design Group, Inc

Freelancing from July 2007 to September 2007 at a lighting design firm. Work included designing internal documents, photo manipulation, and catalog layout.
